Directions

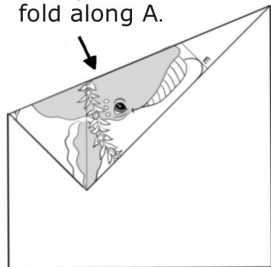

1a. Print and cut out origami.

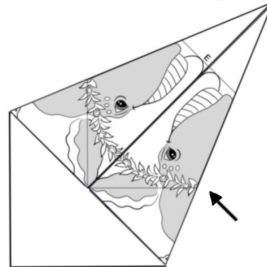

1b. Snip end of tail to dot.

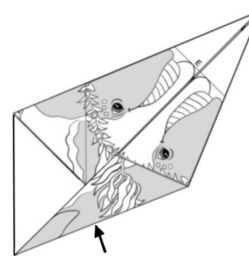

2a. With printed side **down**, fold along A.

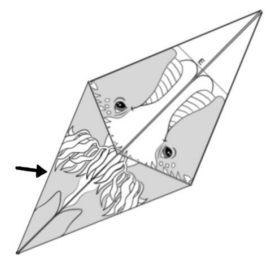

2b. Fold along B.

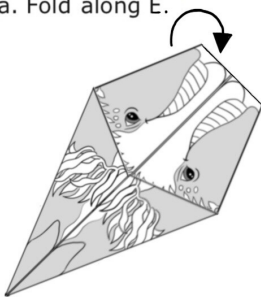

2c. Fold along C.

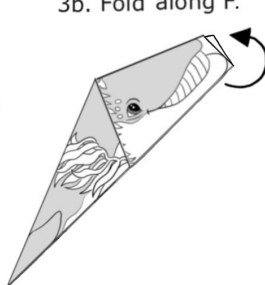

2d. Fold along D.

3a. Fold along E.

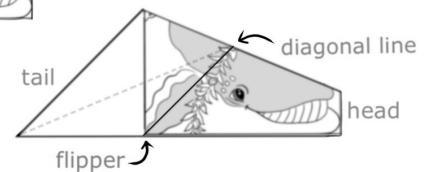

3b. Fold along F.

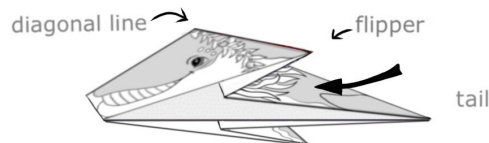

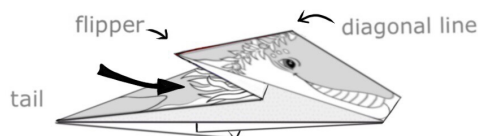

3c. Your origami should look like this, with a "tail" and a "head".

Unfold "tail" flap. Take note of the diagonal line on the whale's flipper.

4. Folding "tail" flap first, crease flipper along the diagonal line as you fold "head" flap over.

5. Fold tail fluke down.
